

The 10 Commandments

{tune: Row, Row, Row Your Boat}

God's the only God!
Worship Him alone!
Use His name respectfully!
The Sabbath is His own!

Honor Mom and Dad!
Kill ... lie ... steal ... NO!
Stay quite loyal to your mate!
Don't want what others own!

Christian Worldview

*{can be sung to almost anything,
from "Amazing Grace" to
"Yankee Doodle" to "Itsy-Bitsy
Spider"}*

God's in charge of all the world!
The Bible tells His story!
We all do wrong, and we all sin,
And that offends His glory!

God made a plan to save us all;
He can't like sin, not ever!
Jesus died and rose to save:
We'll live with Him forever!

The Bible tells you how to live,
How Jesus Christ loves you!
He is the only way! And that's
A Christian worldview!
